

# About us

## Our Mission

Strawberry Cat Cafe is a local family-owned business that partners with local animal shelters. Our cafe is a place where customers can interact with cats that are available for adoption. We partner with local animal shelters in Saitama and house homeless cats in our cafe. Our goal is to help homeless cats find a loving home, allow cats to have social interactions with different people, and bring happiness to our community. Besides being a place where customers can play with adoptable cats, our cafe also serves delicious, aesthetic beverages and foods. We serve espresso beverages, lattes, teas, desserts, pastries, and Japanese breakfast/lunch items. We value quality and sustainability, so all of our ingredients are locally sourced.
